

Our Environmental Mission Statement

On behalf of future generations, Shenandoah Furniture commits to being a good steward of the environment through sustainable business practices that help preserve the earth's beauty and resources.

Our Environmental Policy

A commitment to building a better world through leadership

Shenandoah Furniture is committed to building a better world through leadership in all of our business practices. Shenandoah Furniture is committed to providing a safe and environmentally friendly workplace for our employees. We are committed to demonstrating our citizenship in the furniture industry and our local communities by reducing our company's environmental impact.

Our Environmental Goals

- Reduction of air and greenhouse gas emissions.
- Utilization of alternate fuels for a cleaner environment.
- Conservation of natural resources by saving energy, reducing water consumption and using recycled materials.
- Participation in community events to enable our communities to learn and work toward a cleaner/healthier place to live.
- Meeting or exceeding government requirements for environmental programs by working closely with government agencies to ensure a healthier earth.
- Development and measurement of compliance programs to ensure all environmental regulations are being followed.
- Chemical management to minimize the impact on the environment.
